Each sampler pack contains FIRST PRINTINGS of the above 4 comics for \$15 (We'll even pay for the Shipping & Handling!!!) **Yes, you read that correctly...you can get the above FOUR collectors comics, save \$1 off of cover price for the set, and we'll even pay to ship them to you!** Sorry, due to shipping costs, we can only do this with United States customers and no APO/FPO.

The Enchanting Essence #0: ISBN: 978-0-9820596-0-9

Don't miss this VERY SPECIAL Collector's Edition of The Enchanting ESSENCE which includes Jessica's origin, secrets behind her father's mysterious death, and important clues to her future. Also included is the origin of Essence's friend Assault, the world's GREATEST tracker!

Metapatriot #1: ISBN: 978-0-9818595-1-4

America's GREATEST Defender clashes with Perish, a repulsive criminal who mutated into a creature of devastating power while imprisoned in META CONTAINMENT. Will Metapatriot be able to stop this villain from stealing the secret identities of a thousand Government Meta Operatives, or will he be another victim of Perish's vindictive rampage!

Stormblazer #0: ISBN: 978-0-9818595-8-3

Michael Blazer wasn't born with special powers, but that didn't deter him from achieving greatness. See how it all started for Stormblazer, the man who risked it ALL to become a HERO! Also in this very special collectors issue is the origin of Ultimate, the mightiest Meta on Earth! You'll believe that we can ALL become extraordinary.

Stormblazer #1: ISBN: 978-0-9818595-1-4

Michael Blazer was a college student who couldn't pay his tuition. Instead of dropping out, he earned money as a government 'lab-rat'. Was it fate or good luck that turned this 'average Joe' into a crime-fighter? In this series premier, Stormblazer struggles to balance running a business, getting a date, and fighting a villain who grows deadlier with each kill.
